

# Lympstone Preschool

## Weekly Round-up (Autumn Term week 8)

We have been learning about the change in weather this week, we have been enjoying the different weather conditions listening to the thunder and watching the rain, we went for a walk to Lympstone beach, the tide was in so we couldn't go on the beach but we liked talking about what we could see.

We have enjoyed lots of different craft activities based on fireworks, we used a variety of different tools and textures to make firework sparklers cutting and gluing material, we especially enjoyed the glitter playdough rolling and using the cutters to make star and rocket shapes.

This week our baking activities included making lots of yummy cakes for the cake sale, we made tiffin and rocky road, adding all the ingredients to a bowl and mixing using the spoons, using knives to cut up the fruit and scales to weigh out the ingredients.

Don't forget you can enter our weekly lottery to win a cash prize, and be in with a chance to win a PS5 bundle if you enter before 10<sup>th</sup> December visit our website at:
