

Lympstone Preschool

Weekly Round-up (Spring term week 5)

This week we have been enjoying the sunshine, we have been to the park lots swinging on the swings and playing hiding seek, we have enjoyed playing with the parachute on the field and playing football we liked taking turns on the zipwire. We went to the caves, we liked listening to echoes and looking for sea glass. We made it into an adventure looking for the bear like we our favorite story were going on a bear hunt.

We have been very creative we made a den using cardboard boxes and material using the different tools including scissors and tape.

This week we have been using magnet and searching for objects which are magnetic and what objects are negative, we found lots of metal objects we could use our magnets too and we made a collection of what wasn't a positive magnet.

We have updated our amazon wish list; we would like to say thank you for those who have been generous in purchasing the items we have added to our wish list.
