

Lympstone Preschool

Weekly Round-up (Spring term week 8)

This week we have enjoyed a variety of different stories lots of our friends have shared their favorite stories with us, we especially liked the 100 dogs learning about the different sizes and coloured dogs, we shared lots of books to celebrate world book day.

We have enjoyed lots of water play helping to clean the windows, using the different textured brushes to clean the balls. We enjoyed making a car wash for the cars and vehicles, then watching them have a race down the pipes.

The children have enjoyed playing with the magnifying glasses looking for the bugs in the soil and we went for a bug hunt in the nature garden. We found worms under the plant pots, we discussed about the different bugs and their habitats.

We have updated our amazon wish list; we would like to say thank you for those who have been generous in purchasing the items we have added to our wish list.
