Weekly Round-up (Autumn Term week 3)

What a difference a week makes, from sunshine to rain but we embraced it. Danced and played in the rain in the nature garden. We loved the jumping and splashing in the huge muddy puddle outside.

We took the children on an awesome nature walk to go hunting for conkers, we learnt that they aren't ready yet and found lots of lovely Autumn leaves instead to bring back with us.

We continued the theme of leaves and enjoyed painting big banana leaves and seeing how the paints and colours looked on different surfaces.

The children built a giant sand pit outside the front of the school and had lots of fun playing in that and building sandcastles and driving toys around in it.

As part of the role play games, the children (and staff) enjoyed playing firepersons with hoses!

Afterschool had a really fun Harry Potter themed week. We saw the children making their own popcorn boxes ready to fill next week. They also made fortune tellers and played with those with their friends.

Have a lovely weekend and we look forward to seeing you all next week.
