

Lympstone Preschool

Weekly Round-up (Autumn Term week 7)

We have loved our nature garden play again this week. The children had great fun splashing and jumping into the muddy puddles. They were playing gently with the snails outside, observing them on the grass and on the bench and watching them race! We took story time outside and read some lovely Halloween books. There was some great imaginative play where the children were packing their toys into their spaceship, to fly to the moon, to get some cheese and bring it back to the nature garden to share with their friends.

We did painting with lots of different items, including a potato masher, bubble wrap and rollers. Some absolute master pieces were created!

We have continued with the Witches Halloween theme this week and made lots of awesome witch's potions including using the shaving foam which created lots of laughs and giggles.

Laura has been making witches wands yesterday with the group, using breadsticks, milk and dark chocolate and Halloween sprinkles.

The two main books that we have been reading lots this week have been Shark in the Park and Shark in the Dark. The children love listening to it, repeating it and retelling it.

Numbers play has been great, we've been working on our counting and doing lots of touch counting with the children which they really enjoyed.

The children have started working on their lists to Santa! Going through the Smyths catalogue and seeing what looks fun!

The after-school club have loved all the Halloween scratch art.

IMPORTANT DATES AND REMINDERS
