

Lympstone Preschool

Weekly Round-up (Autumn Term week 11)

We're so pleased that Lily, our new Preschool Manager, is settling in so well. The children are loving having a new face and member of staff in the setting to play with. Most of you should have had a chance to meet Lily at the gate and we would like to extend our thanks to you all for making her feel so welcomed. We hope you will join us in continuing to support her in this transitional period in taking over from Kate.

So, it's the last week of November 2024!!! We've been enjoying some lovely walks on the beach, searching for beach treasure and looking for crabs.

Yesterday afternoon we went for a walk down through the church yard and listened out for the church bells. The children went into the church and sang their Christmas songs, and it was beautiful! We finished our trip by walking down to the bridge we like to call Pooh Bridge to look at the water flowing.

Lots of arts and crafts this week. The children have been focusing on making some awesome decorations for our Christmas tree that will be heading down to the church this weekend to be part of the Village Christmas tree festival in the church. The children painted some beautiful salt dough shapes.

We picked up our main preschool Christmas tree today, kindly donated by Green Fingers Garden Centre and will start decorating next week.

The children made some very impressive hedgehogs today using playdough, straws and sticks.

Indoor games included throwing the hoops over the numbers and identifying the right numbers to win.

A favourite activity has been looking through the Smyths book to see what toys they would like to put on their list for Santa. Finally, we baked some cupcakes ready to enjoy either together or bring home.

IMPORTANT DATES AND REMINDERS

Last chance to buy raffle tickets!

Festival celebrations.
6th December we will be holding our annual celebration.

£5 per family.
