Thank you for all our gifts!

We all made it! The final day of the final week of the year and what a busy and fun one it's been. The kids have been amazing and full of Christmas spirit and cheer this week, as have all the staff.

There have been lots of walking adventures around the village, to the church and a few times to the beach. We looked for beach treasure, crabs and we also found oysters! We flew our kite on the beach and genuinely appreciated enjoying the place we live. There has been trips to the park to play pirates and we have enjoyed snack time in the great outdoors.

The Christmas disco's we've been holding have been so much fun, all the staff getting involved and dancing with the children. Tash and kids invented a super fun game in the nature garden called Mud Splat. Turns out throwing mud against a wall and making it go splat is a lot of fun!

There have been some lovely calm moments, listening to chilled out music with our friends and looking through Christmas books on the carpet and reading the stories to each other.

Today Laura is doing some baking with the children, making cherry and chocolate cakes to enjoy together.

After school club have had great fun coming to the preschool film and popcorn nights, we made them tickets to gain entry, like a real cinema and we watched some favourite Christmas movies. They have also been decorating gingerbread cookies and houses.

We will be adding to our Amazon wish list today, if Santa is feeling generous and wants to gift anything to preschool, we would be very thankful! Click link below.
