

Lympstone Preschool

Weekly Round-up (Spring Term week 2)

We hope the children have enjoyed their second week of the year at preschool. We packed a lot in and made use of our beautiful surroundings and the sunshine. Beach Club is back! The children walked down with their partner and enjoyed the sights whilst staying together and safe. We were very lucky and seen a kingfisher. We went crab hunting and loved to dig with our spades and buckets looking for treasure. A perfect afternoon.

We have also been on adventure around the village and to the field. We played some ball games and went hunting for the Gruffalo. The children were very excited about this and told all the staff about it when they came back, perhaps you heard about it too?

There have been some fun cooking activities happening this week. The preschool loved making pizzas to share with our friends.

Whilst we have had a lovely week, all the bugs and illnesses are back with a vengeance. We are doing our best to maintain the spread of germs, lots of handwashing and cleaning services. We have had a confirmed case of Scarlet Fever this week. Scarlet fever is a contagious infection. It's easily treated with antibiotics. Parents please can you look out for any the symptoms which could be, a red rash, white bumps on the skin, white coating on tongue, red cheeks, sore throat, swollen glands. For more information visit [Scarlet fever - NHS](#)

We will now be moving away from Spotlight meetings for your children and instead we will be holding a parents evening, every 6 months. We will let you know the details in advance, when we arrange them.

Snack Donations

THANK YOU FOR YOUR CONTINUED SUPPORT WITH SNACK DONATIONS. THIS WEEK WE WOULD LIKE:

- SHREDDIES, WEETABIX, CORNFLAKES, MALT LOAF PLEASE AND THANK YOU.

Have a wonderful weekend & get well soon to any children who are poorly x
