

Lympstone Preschool

Weekly Round-up (Spring Term week 5)

Wow what a busy week we've had at Preschool, we hope the children have come home telling lots of stories of what they have been up to, but in case they haven't, here's a run down!

Tash was in her element again in the nature garden, building an amazing mud slide with the kids and of course they asked her to go down it too! Needless to say, they didn't have to ask twice!

We got the soft play out, in the sunshine, playing the floor is lava, jumping, running and rolling with our friends.

This week was Children's Mental Health week. We focused on talking about our feelings, we set up some emotions playdough where the children could use that and loose parts to make faces with different expressions on. Laura made edible pastry faces with the children. At circle time we read stories about our feelings and emotions and what could cause those and how to manage them, and we listened to different types of music and talked about how each tune made us feel.

Beach Club was next level amazing this week, we left a note for the Pirate to find in the cave and we have officially been appointed pirates and have been awarded pirate certificates and found more hidden treasure.

We had a visit from Harley the rabbit, Tash bought him in, and the children loved holding him with gentle, kind hands. We noticed how soft and fluffy he is and loved our time with him.

On Thursday we went to the multi-use game area and played ball, tennis, balanced on stilts, throwing beanbags and lots of other games in the sunshine.

We really have had a lovely week and its nice to have some sun!
