

Weekly Round-up (Spring Term week 9)

Another beautiful week completed at preschool. We have lots of outside time, enjoying the sunshine and slightly warmer weather! We took our art class outside and loved doing some painting with a view!

In the nature garden everyone did some fantastic construction work, they built a car out of crates and miniature tyres. They jumped aboard and enjoyed pretending to drive.

We have been using the balance boards and tyres in the garden to make some awesome obstacle course and their own pirate ships. Holly was made to walk the plank lots of times. This was great for the children's balancing skills, working together as a team to construct and cheering our friends on.

Inside games included playing the sound board game, the children did so well listening out for the different noises and finding the picture card to match on their boards. Also using the farmyard puzzles.

We have seen some very impressive volcanoes built this week, using the scented playdoh and other objects to make it more realistic.

Our most exciting trip this week was down to the reception class at the Primary school to visit to chicks they have in the classroom. All the children sat patiently in a circle, waiting their turn to either hold or stroke the chicks. They were so cute and fluffy. They loved them!

We also had a fire drill at preschool this week, where we practiced getting in pairs when we heard the alarm, staying calm and heading outside to our meeting point safely. Well done everyone.

After school club have enjoyed doing some junk modelling, playing outside, making pizzas and eating noodles with chopsticks.

Finally, Laura's bake-off Friday has had the preschool smelling delicious today with chocolate chip cupcakes.

IMPORTANT DATES AND REMINDERS

Easter Holiday Club:
7th April – 11th April 2025
Monday – 8am – 5pm
Friday 9am – 4pm
Bookings are closing
21st March 2025
admin@lympstonepreschool.co.uk
