

# Lympstone Preschool

## Weekly Round-up (Autumn Term week 2)

What a fantastic second week we've had at preschool! The children are settling beautifully into their routines, learning how each day flows and what's involved in all the fun activities we do.

For example, before heading out into the nature garden, everyone finds their wellies and puts on their outdoor overalls. We're encouraging independence during these transitions, while always being ready to support when needed. It's been heartwarming to see how much pride the children take in doing things for themselves. We're especially proud of all our new starters, who are settling in so well. It's been lovely to see how warmly the other children have welcomed them, quickly becoming friends.

### Buzzard Room Adventures

**Autumn Walk:** We went on a beautiful autumnal walk, collecting sticks, leaves, and conkers. One of the highlights? The children burying Tasha under a pile of leaves and giggling the whole time!

**Stick Men Creations:** Back at preschool, we used our nature finds to create our very own *Stick Men*.

**Music Time:** We learned a new song called *Ram Sam Sam*, which originates from Morocco. The children loved the catchy tune and enjoyed learning the actions.

**Trip to the Park:** We had a great time at the park, where we talked about our preschool rules for keeping safe while still having fun outside of school.

**Sunflower Seeds:** This week, we harvested sunflower seeds from our garden to save for planting next year – a lovely way to talk about growth and seasons.

**Story Exploration:** A small group of friends enjoyed acting out *Goldilocks and the Three Bears* using story props and our sensory table.

**Water Play Fun:** Lots of outdoor water play happened this week! The children used tubes and containers to move water and even created flumes to roll cars down. So much creativity and collaboration!

### Rainbow Room Highlights

**Sensory Fun:** The children had a fantastic time playing with colourful spaghetti – a fun and squishy sensory experience!

**Rainbow Ring:** Everyone joined in so enthusiastically during our *Rainbow Ring* activity. The children followed action instructions beautifully and had a great time moving and singing together.

**Nature Garden Play:** We've been making the most of our beautiful outdoor space. Hide-and-seek in the garden brought lots of giggles!

**Front Play Area:** In our front outdoor area, the children enjoyed messy play at the sensory tables and had fun racing cars and trucks.

**Mud Kitchen Magic:** Our new mud kitchen has been a big hit! The children made all kinds of magical "potions" by mixing mud, water, and flowers from our trees.

**Sand Table:** The little ones loved drawing rainbows in the sand and making "donuts." Such imaginative play!

**Teamwork Time:** One of the week's highlights was watching the children work together to build a giant train outside — then all climbing aboard ready to leave the station!

Thank you, for all your continued support. It's been a joy getting to know your little ones and seeing them shine. We're looking forward to many more weeks of learning, laughter, and new adventures!

## IMPORTANT DATES AND REMINDERS

**October Holiday Club**  
27<sup>th</sup> October – 31<sup>st</sup>  
October 2025

Holiday Club bookings are now open, please email

[admin@lympstonepreschool.co.uk](mailto:admin@lympstonepreschool.co.uk)

Please can you WhatsApp or email a family photo that you are happy for us to display on our family wall at Preschool.

Have a wonderful weekend & see you next week!
