

Lymestone Preschool

Weekly Round-up (Spring Term week 8)

What a lovely week we have had! The weather has almost fooled us into thinking that spring is on its way. We have noticed flowers beginning to bloom, and the lack of rain has been wonderful!

Thank you for all the amazing donations for our cake sale on Wednesday, and to everyone who came along to buy cakes and support our preschool. We are still counting the money raised and will announce the total shortly.

On Thursday was **World Book Day**, where everyone wore their cosy, snuggly clothes and shared their favourite stories. We loved seeing all the wonderful books that were brought in and the excitement from the children as they discovered new stories.

Please remember to start collecting your sponsorship money for the **Easter Walk** on **1st April**. Let us know if you need another sponsorship form printed.

Bookings for the **Easter Holiday Club** will close next Friday so that we can plan staffing levels.

Please also remember to email us to book your **Parents' Evening** slot on **12th May**.

Buzzard Room

This week we got to meet the New Lymestone Band! After finding things indoors to use as drums, the children continued their musical exploration in the nature garden, discovering natural objects that made different sounds. They had great fun working together to create their own band.

We had great fun on the waterslide on Wednesday and, as you probably guessed, the children convinced Tasha to have a go too although she didn't need much persuasion! With the garden hose out, everyone enjoyed lots of muddy fun.

In the front area, the children enjoyed playing with the tuff trays filled with sand. They scooped and poured sand into diggers and trucks, creating a fantastic construction site.

We also tried some fishing using sieves, practising our scooping and lifting skills while trying to catch the fish. The children also enjoyed catching the balls and tipping them back out again.

We had a great time playing on the MUGA and flying a kite, and everyone enjoyed listening to the Singing Mermaid story in the sunshine.

We also had a soft play morning outside, where the children enjoyed climbing, rolling and jumping. They did very well at taking turns and cheering on their friends.

Rainbow room:

We had lots of fun with water play this week in the front area. The children used all kinds of containers to collect and pour water, and they loved getting the digger involved too! We also enjoyed playing in the big sand pit with our friends, making sandcastles, digging and scooping, and using the construction trucks to make tracks and move the sand around.

The children loved experimenting with lots of different coloured paints on large sheets of white paper. They created some beautiful masterpieces while learning about colours, colour mixing, and developing their mark-making skills.

We also went out onto the field with the rugby ball and other sports equipment. The children especially loved the kite, chasing after it as it flew through the sky and even having a go at flying it themselves.

The children also played on the MUGA, where we saw some very impressive hula-hooping skills!

Some of the children enjoyed building with the magnetic blocks and created a fantastic car park for the cars.

We also had lots of fun using the big tubes to post balls and water through, watching them roll out of the end and passing them to friends to have a turn.

We played a super fun game of skittles, carefully lining them up before knocking them down with a ball.

IMPORTANT DATES AND REMINDERS

Easter Sponsored Walk
1st April at 2pm

Easter Holiday Club
7th April – 10th April –
Booking closes on 13th
March

Closed: 3rd – 6th April &
