

Lymestone Preschool

Monthly Round-up (May Summer Term)

Buzard Room

In Buzzard Room has been very busy this month with a variety of exciting activities. The children went searching for yellow dandelions before making delicious dandelion cupcakes, and they loved helping to add and mix all the ingredients together.

The children have also been thoroughly enjoying their planting activities. We have planted cucumbers, strawberries, potatoes, and a variety of herbs, and the children are doing a wonderful job watering them every day and helping to take care of them.

We have also been making the most of the sunshine by spending time on Candy's Field, where the children have enjoyed playing a variety of games and using the parachute together.

To celebrate David Attenborough's 100th birthday, we took part in a range of activities focused on different animals and the habitats they live in. We have also been practising yoga and finished the month by making some yummy banana pancakes.

Rainbow Room

In Rainbow Room have really enjoyed doing lots of baking this month. They made biscuits as well as delicious tomato and cheese pastry pinwheels. Everyone did an amazing job taking turns and helping to add all the ingredients together.

The children have also shown a growing interest in making their own music. They especially enjoyed gathering pots and pans to create a variety of different sounds and rhythms.

We have also been very active, taking part in lots of games on the field with bats and balls, enjoying trips to the park, and practising yoga. In addition, all the children are doing amazingly well with practising their numbers and learning the names of different shapes.

IMPORTANT DATES AND INFORMATION

21st July (Our Sports day/Graduation/summer fundraiser)

Katherine is currently the only person in the office, as Clare has now left, so response times may be slightly delayed. However, Katherine is working through all messages as quickly as possible.
